

MANI-IN PRO

UNLEASH THE BUSINESS POTENTIAL OF YOUR MULTILINGUAL WEBSITE

MANI-IN PRO

allows your clients and prospects abroad to reach you on your office phone in the UK by dialing local phone numbers in their countries at the cost of a local call.

Calls are received on the office phone in the UK

Cost: monthly fees of the foreign numbers, plus £ 0.025 /minute for incoming calls

**Dials a fixed line number in Berlin...
...at the cost of a local German call**

**Dials a fixed line number in Madrid...
...at the cost of a local Spanish call**

By adding these local phone numbers to your website or business card, the credibility of your company will significantly increase in the eyes of your potential foreign clients and existing partners.

In case of a multilingual website targeting foreign markets, it is important to know that 90% of the visitors will choose the website with the local contact in their countries.

COSTS

Mani-in Pro numbers are subject to a monthly subscription fee (£ 5 to £ 15 depending on the country), as well as a cost per minute for calls received (depends on the number on which the calls are received, generally it's 2.5p /minute).

EXAMPLE

A company having a Mani-in Pro number in Rome and another one in New York, receiving 10 hours of calls a month on a UK fixed line, will pay 10 Pounds subscription fee (5 Pounds per number), plus 15 Pounds for calls received (2.5 pence a minute), totaling 25 Pounds a month.
